

**The 38<sup>th</sup> Japan National Pool Lifesaving Championships**  
**ILS Sanctioned Event**  
**(for international competitors)**

December 2025

**Pre-Survey for Application for World Record**  
**at the Japan National Pool Lifesaving Championships**

The Japan Lifesaving Association (JLA) is in the process to apply for ILS Sanction for the Japan National Pool Lifesaving Championship.

This will increase the value of the competition and, if the world record is broken, it can be recognized as a new world record.

To establish the necessary procedures, including doping tests etc, JLA will conduct a pre-survey of the athletes and teams who will challenge the world record.
